President's Corner

I can't believe 2015 has come and gone. Things look great for the club in 2016! We have a new President, some new officers and some new members too. I'm really excited about the level of interest this year.

There is still a little room for the Christmas party so let me know if you can be there. Also coming up is the chili fly on New Years Day. Both of these events are a lot of fun so don't miss them.

My very sincere thanks to all of you that have made my terms as President so enjoyable. I am fortunate to be a part of such a great group!

See you at the field
Wes "Scott" Parker

SAFETY COMES FIRST

Last issue I mentioned using extra caution for fuel fliers going to electric motors because electric motors can spin when the throttle is moved instead of deliberate engine spinning on fuel models.

Leon Noel sent me an e-mail referring to a transmitter throttle cut off function.

Contact him for information on how to program this function on your radio at Kni-noel@att.net

The annual club Christmas Party will be held at Big Whiskey's on W. Republic Road Dec. 3, 2016. It's always a fun time and a chance to socialize and bring in the holidays.
