Christmas Party

This year, the club returned to the earlier days more homey atmosphere by having the Christmas party at the 425 building downtown on Walnut Street. It is a simple place but private and roomy (I'd recommend it for any type of large gathering) which lent itself to a very intimate seating arrangement.

There was a nicely ornamented Christmas tree shining brightly along with other modest but uplifting decorations.

The food was well prepared, tasty, and plentiful. Adding to the meal was a bounty of desert items provided by the members. And at the end of the night, we were offered "to go" boxes of leftovers if we wished. Now who could want more than that?

After the meal, we had a raffle of prizes, some good conversation and plenty of Christmas cheer.

I'd like to take this opportunity to thank these local and very generous businesses for contributing the gift certificates for our raffle:

Moe's Restaurant, Newk's, CiCi's Pizza, Sleeth Hobbies, El Sombrero

Mexican Restaurant, Olive Garden, Culvers, Dublin's Pass, D'Arpinos' Italian Café, Darrell Wilson, Cold Stone Creamery, Colton's Steak House and Yarbrough Equipment.

Even if you DIDN'T win a certificate from one of these establishments, please make an effort to frequent them as they are fine places of business and deserve our patronage.

Thank you. You made our club raffle one to remember.

... and we all had a very good time

Don't forget the Chili Fly on New Years Day, January 1st . With the exception of rain, we will be ringing in the new year with some cold weather flying. Bring your favorite chili recipe to the club field and share it with your fellow flyers. In the past years our members have brought hot apple cider, dip, chips, crackers, donuts, and other assorted snack items. So, don't miss out, bundle up for the cold and come out and fly. And may you all have a merry and bright Christmas with the gathering of family and friends.
