President's Corner

Aaron, Darrel and I just got back from the swap meet in Kansas City and was there ever a lot to see! It was a much larger venue this year and they had a great crowd. You really should go once just to check it out if you've never been. The phrase "one man's trash is another man's treasure" really applies here. It's certainly not all junk but rather an opportunity to get some value out of all the "stuff" we accumulate over the years. Everybody's flight box or workshop ends up littered with odds and ends. It's unavoidable in this hobby! Most of this stuff has little to no value to the handful of guys around us and that's where the swap meet shines. As long as it's priced right someone will want it. All of the things I took sold quickly which was nice but unfortunately I didn't find anything to bring home I couldn't live without. I did free up a little cash though which is nice. Flash forward two days and I've already used my swap meet stimulus money at Sleeth Hobbies. And so the cycle continues . . .

Don't forget the meeting next month at Logan's! Bring your family! RSVP to me ASAP!

See you at the field

January Meeting Minutes

The meeting was called to order at 7 p.m. by Wes Parker with 11 members present.

Treasurer's report was accepted as presented. The minutes from the November meeting were accepted as published.

Old Business:

- The field will be rededicated as the Gerald Dean Rhodes Field.
- The Christmas party was cancelled due to weather. Lynn Costello suggested we have a spring party at Logan's Roadhouse. Everyone agreed and the date was set for Thursday March 6th at 7:00 p.m.

New Business:

- Officers were sworn in.
- Seal Runway—Lots of cracks, needs to be sealed this summer. Wes will check on supplies.
- Calendar:
 - Family Day June 14th
 - Float Fly TBD
 - Cross Club Fly TBD
 - No Charity Fly This Year

Meeting was adjourned at 7:30 p.m.

Spring Party

Club Chili Fly

We had a great turn out this year at our Annual Chili Fly on January 1st. There were about 25 people in attendance and the weather was really nice for that time of year. There was a lot of good chili to eat and great conversation. Lynn Costello on behalf of the club, presented Wes Parker with plaque of appreciation for his service and dedication as President of our club. He also presented Wes with the Crash and Burn award for 2013 for his spectacular Ultimate Bipe inverted landing. Everyone seemed to have a good time. If you have

never been put it on

your calendar for next year.

Swap Meet

The Ozark Mountain Barnstormers and Springfield RC Club Swap Meet was held January 4th at the Brighton Assembly of God Church. There was a very good turn out this year. RC stuff out numbered the ham radio stuff this year. Lots of airplanes and parts traded hands. One mans junk is another mans treasure. We are in hopes that this event will grow each year. We would like to see more people participate and to find a place in Springfield to hold the event next year. We hope this can become an RC only
