President's Corner

What a great year we've had so far! There seems to be a renewed interest in the Club. Not the Club as a "thing" but the Club as a group. I can tell you the easiest way to tell if people are enjoying something is to ask them to help. The response you get will tell you in a hurry. I can also tell you that I haven't had to ask twice for help this year! When I asked for help cooking at the Charity Fly hands went up in the air and it was taken care of. When we needed a Treasurer Russ volunteered immediately. Everyone just seems to *want* to be involved. What a great situation. I want to personally thank everybody who has made my job so much easier this year. Now if we can get some decent weather we'll be in good shape. Thanks again and see you at the field . . .

Meeting Minutes May 5

17 members in attendance. Called to order at 7 pm. No treasurer report. Old minutes accepted as published. Two member resignations. The OTC static display took place and was successful. Club brochures are in and available for distribution. Flag pole was set and ready for displaying colors. Russ Rhodes will acquire Treasurer office. Windsock was ordered. Motion to repair wings and build lean-to on west face of clubhouse was seconded and passed. Materials list for lean-to will be provided for approval. All arrangements have been made for BCFO charity fly. Sanctioning and additionally insured certificate needed for static display by June 4th. No other new business offered so meeting was adjourned at 7:25

BREAST CANCER FOUNDATION
OF THE OZARKS

The BCFO Charity Fly was a huge success. We raised \$1081.60 and had a great time doing it. Thanks to everyone who made it happen—particularly Russ Rhodes who stepped up and ran the event. Getting involved in the community is essential for the long term health of our Club and this was a great start. We received media coverage on all of the local networks and the AMA sent us a check for \$300 as a part of their Club Recognition and Reward Program. Great job guys!

Barnstormers Meet and Greet

13 members turned out for the opportunity to fly with the Barnstormers on Saturday, May 21st. Even though it rained like crazy on Friday, Saturday turned out to be beautiful for flying. Everyone had a good time and it was a challenge to fly on a different field! The trees to the north don't really come into play but they sure LOOK like they do. A big thanks to Greg, Jim and the rest of the Barnstormers for being such great hosts! We look forward to August when they come to our field for the day.
