**AMA CHARTER CLUB 394**

**NOVEMBER 2007**

**VOLUME 19 NUMBER 11**

## The Presidents Corner

Elections: Nov 1 is our election meeting. 2008 officers and board members will be voted on at this meeting. It is important we elect persons who will uphold the club's constitution and bylaws, attend meetings and lead by example. This is the one meeting of the year no club member should miss.

AMA membership renewal notices should have been received by now; renew as early as possible. Club dues will be due payable Dec 1-31 and proof of 2008 AMA membership is required for club membership renewal. Refer to the club bylaws excerpt elsewhere in this newsletter.

### SECTION 3.

#### Membership process.

a. New members. Each person electing to become a member shall submit a completed and signed membership form as approved by the Board of Directors and which shall provide that the person agrees to abide by this constitution and bylaws, club field rules and the rules of the AMA. The application shall state the name, address, and AMA number of the applicant. Accompanying the membership form, the prospective member shall submit dues for the subsequent/current year and initiation fee.

b. Renewing members. Each member renewing their membership shall submit a completed and signed membership form as in SECTION 3 (a) above. Membership dues renewal for the following year begins Dec 1 and continues through Dec 31 of the current year.

SECTION 4. Termination of membership. Membership may be terminated:

(a) By resignation. Any member may resign from The Club upon written notice to the Secretary, but no member may resign when in debt to The Club. Dues obligations are considered a debt to The Club and they become incurred as in SECTION 3 (a) or (b) above.

(b) By lapsing. A membership will be considered lapsed and automatically terminated if such member's dues remain unpaid beyond Dec 31 of the previous year. Lapsed members shall be considered new members and fall under the requirements for new membership under SECTION 3 (a) above, unless waived by the Board of Directors.

**From The Editor**

It was brought to my attention that there was some grumbling about the filler articles that I have been placing in the newsletter. That is not a problem to stop. I will put together a newsletter with the material submitted to me with no filler. It will be a short newsletter since almost no one ever sends me anything to include.
